

## Standardprofiler

Hydro Extrusion Denmark A/S tilbyder et stort udvalg af standardprofiler med over 500 forskellige værktøjer. Mange af disse profiler er lagerført hos vores samarbejdspartner, Metalcentret. Hvis du ser et \* ud for et profilnummer, betyder det, at profilen er tilgængelig via Metalcentret.

Hvis du har brug for profiler, som ikke findes i vores standardprogram, er du velkommen til at kontakte os for yderligere information.

Vi tager forbehold for eventuelle trykfejl. Når du bestiller standardprofiler, anbefales det at få en profiltegning fra Hydro Extrusion Denmark A/S for at sikre, at dimensionerne og tolerancerne stemmer overens med dine forventninger

## Standard profiles

Hydro Extrusion Denmark A/S offers a wide range of standard profiles, including more than 500 different tools. Many of these profiles are stocked by our partner, Metalcentret. If you see a \* next to a profile number, it means the profile is available through Metalcentret.

If you require profiles that are not part of our standard program, please feel free to contact us for more information.

We reserve the right to correct any typographical errors. When ordering standard profiles, it is recommended to request a profile drawing from Hydro Extrusion Denmark A/S to ensure that the dimensions and tolerances meet your expectations.
